

I AM NCR ATM REFURBISHMENT SERVICES

NCR ATM Refurbishment

Provides a cost-effective way to bring your older equipment up to current market standards and branding. ATM Refurbishment by NCR allows you to keep the functionality of your ATM to quench your customer's demand in the field, without the costs of replacing the entire ATM.

NCR's ATM Refurbishment service consists of:

- ATM's painted in-site and out to look like new
- Machine brought to current market standards
- All exterior cosmetic consumables will be replaced as needed
- Add new equipment such as SDM, EMV capable card readers, or new cameras as desired
- Other activities, such as: staging, decal placement, or mirror placements also offered

Why ATM Refurbishment:

- Cost effective way to make an ATM look like new
- Remove ATM from the field and update
- Significant Brand impact
- Support costs reduction initiatives by energizing older cost
