Services

Installation

Tired of paying for a technician? NCR's systems are easy to install. Just plug it in.

Support

Have questions? No problem. We have got your back. Call support any time, and we will do what it takes to make your everyday easier.

Hardware and software maintenance

We know you're running a business, and it's got to keep running. We won't leave you swinging in the wind if something goes wrong. Your hardware and software is fully covered, and we'll provide fast service and maintenance. Every time.

Project management/consulting

No matter where you are, there is someone at NCR thinking of you. You have a project manager who will always have your best interests in mind.

Training

Learning a new system shouldn't get in the way of having the best technology for your business. RPOS is so easy to install and use that you can get your staff up to speed in the time it takes to down a cup of coffee.

NCR continually improves products as new technologies and components become available. NCR, therefore, reserves the right to change specifications without prior notice.
