

I AM NCR PROVISIONING SERVICES

Complexity? Forget about it.

Upgrades and installs can be messy. And disruptive. But our experts thrive on untangling the complexities that come with adding new technology or opening facilities—from retail shops to branch offices. With NCR Provisioning Services, it's just simpler.

Many moving parts, one person to call

Our certified professionals coordinate everything—from people and vendors to equipment and facilities management. We'll be the liaison between your customer and every technical resource working on the project, so there's less disruption and no more confusion.

Work better with vendors, effortlessly

Want everything to work better together? We'll sort out the capabilities and service level agreements among multiple vendors.

Seize the day—and your deadlines

Count on us to deploy your solutions on time and on budget. We perform 11 million service actions every single year.

The same service everywhere

We keep putting a lot of work into how we serve you. We have 13,000 service professionals in countries around the world. That means you'll get consistently high quality no matter where you operate.

Why NCR?

NCR Corporation (NYSE: NCR) is the global leader in consumer transaction technologies, turning everyday interactions with businesses into exceptional experiences. With its software, hardware, and portfolio of services, NCR enables more than 300 million transactions daily across the retail, financial, travel, hospitality, telecom and technology industries. NCR solutions run the everyday transactions that make your life easier.

NCR is headquartered in Duluth, Georgia with over 26,000 employees and does business in 180 countries. NCR is a trademark of NCR Corporation in the United States and other countries.

Key Features

- **We're flexible.** We offer 24x7 installation scheduling.
- **We do our homework.** Sites are 100% ready for installation with site assessments, surveys (power, structure, networking and cabling), subcontractor management and other prep work.
- **Always ready to go.** Want an update or have some information to share? You're always up to speed with our online project tracking tools.
- **No mess, no fuss.** Confusion in your project coordination is gone. We make sure planning, installation, testing and turn-up all happen without issues.
- **Wherever you are.** We manage more than 200,000 product installations around the world. Rest assured that near or far, we're there.

NCR continually improves products as new technologies and components become available. NCR, therefore, reserves the right to change specifications without prior notice.

All features, functions and operations described herein may not be marketed by NCR in all parts of the world. Consult your NCR representative or NCR office for the latest information.
