- Rule 13p-1 under the Securities Exchange Act (17 CFR 240.13p-1) for the reporting period from January 1 to December 31, 2014.

## **Section 1 – Conflict Minerals Disclosure**

### **General**

#### **Section 1 – Conflict Minerals Disclosure**

##### **Item 1.01 Conflict Minerals Disclosure and Report**

###### ***Conflict Minerals Disclosure.***

NCR Corporation (“NCR” or “the Company,” also referred to as “we” or “our”) has reviewed its products and determined that materials, parts or components necessary to the functionality of certain of our products include the minerals listed in Section 1502 of the Dodd-Frank Wall Street Reform and Consumer Protection Act (the “Act”), which as of the date of this filing, include columbite-tantalite (also known as coltan); cassiterite; gold; wolframite; or their derivatives, tantalum, tin and tungsten (“Conflict Minerals”). While we do not source such materials directly, we have conducted in good faith a reasonable country of origin inquiry regarding those Conflict Minerals to determine whether such Conflict Minerals originated in the Democratic Republic of the Congo or an adjoining country (“Covered Countries”), or are from recycled or scrap sources (as defined in the Act). Based on our reasonable country of origin inquiry, which is an element of our due diligence program (as described in more detail in our Conflict Minerals Report), the Company is unable to conclude definitively that, during the period covered by this Form SD, no Conflict Minerals contained in our products originated in a Covered Country, except in those cases where our suppliers have disclosed to the Company that their products are conflict-free pursuant to the Conflict Free Sourcing Initiative (CFSI)<sup>1</sup>. Accordingly, we have undertaken additional due diligence procedures in keeping with the rules adopted by the Securities and Exchange Commission pursuant to the Act and as set forth in our Conflict Minerals Report (attached here as Exhibit 1.01).

A copy of the Company’s Conflict Minerals Disclosure and Report can also be found on our website at <http://www.ncr.com/company/corporate-responsibility/conflict-minerals>. The content of any website referred to in this Form SD is included for general information only and is not incorporated by reference in this Form SD.

##### **Item 1.02 Exhibit**

A copy of the Company’s Conflict Minerals Report required by Item 1.01 is attached hereto as Exhibit 1.01.

#### **Section 2 - Exhibits**

##### **Item 2.01 Exhibits**

Exhibit 1.01 – Conflict Minerals Report as required by Items 1.01 and 1.02 of this Form SD is filed as part of this report.

---

<sup>1</sup> CFSI is an initiative that was founded in 2008 by members of the Electronic Industry Citizenship Coalition and the Global E-Sustainability Initiative.
